

The Joint Committee on Vaccination and Immunisation (JCVI) advice on priority groups for COVID-19 vaccination

The age-based prioritisation for the COVID-19 vaccine will include **around 99% of people at risk of dying** from the disease

1.
residents in a **care home** for older adults and their carers

2.
all those **80 years of age and over** and frontline health and social care workers

3.
all those **75 years of age and over**

4.
all those **70 years of age and over** and clinically extremely vulnerable individuals

5.
all those **65 years of age and over**

6.
all individuals aged **16 - 64 years with underlying health conditions** which put them at higher risk of serious disease and mortality

7.
all those **60 years of age and over**

8.
all those **55 years of age and over**

9.
all those **50 years of age and over**
